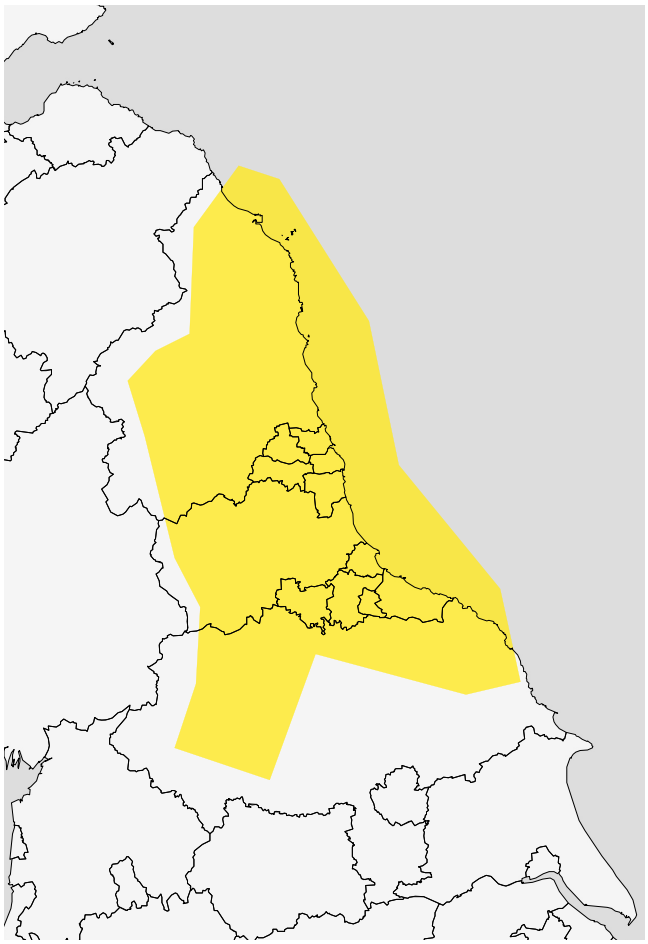
Yellow warning
Ice

Between
20:00 Sun 26 Jan 2020 and
10:00 Mon 27 Jan 2020



Some icy stretches expected Sunday night into Monday morning

What to expect

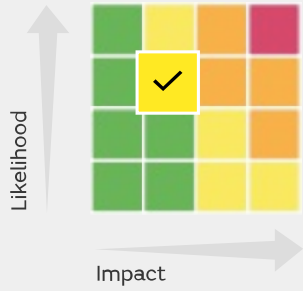
- Some injuries from slips and falls on icy surfaces
- Probably some icy patches on some untreated roads, pavements and cycle paths

Further details

Following rain on Sunday afternoon surfaces are expected to remain wet into the evening when temperatures will start to fall.

With surface temperatures falling below freezing some icy stretches are likely to form, mainly on rural routes and untreated surfaces.

Some further rain overnight may bring an increased risk of icy stretches for Monday morning.



Medium likelihood of low impacts

Issued at 10:39 Sun 26 Jan, 2020
